

2021 Functions & Events Pack

Thank you for considering Belgian Beer Café Melbourne for your next event!

We are located in Southbank at the base of Melbourne's tallest building, Eureka Tower.

Featuring an Art Nouveau-inspired interior, we are an elegant and sophisticated venue to meet for business or pleasure, for drinking and dining.

The main bar features an extensive and well curated menu of Belgian, International and Australian craft beers and opens out on to an expansive European style terrace. Our exclusive upstairs events space features a private bar and modern Belgian décor providing a unique and versatile entertaining space for all occasions.

With advice from a member of our experienced function and events team you are sure to make your next event one to remember.

Spaces

Please note that due to COVID-19 restrictions certain spaces might not be available, or might not be available at the capacity listed below. Our team is always up to date with the latest public health advice and patron safety is our number one priority.

Upstairs

Max Capacity: Dining – 130 guests; Cocktail Party – 280 guests

Upstairs features a versatile space which caters for groups as small as an **8 person board meeting** all the way up to a **280 person engagement party**. We can set up for a three course dining event or for a corporate business presentation. If you have a small cocktail party it can be broken up into sections, yet for bigger groups it works perfectly as one large space. The room features a fireplace for winter and excellent air-conditioning for summer.

Nook

Max Capacity: Dining – 34 guests; Cocktail Party – 50 guests

The Nook is the perfect space for smaller groups, up to 50 guests. The Nook can be booked privately, however it still retains the atmosphere of being in amongst the action on the ground level. It's close to the Terrace so guests can enjoy the beautiful Melbourne weather and is also wheelchair accessible. The Nook features a projector and screen which can be used for presentations or sporting events and can also cater for smaller dining groups, up to 34 people.

Bistro

Max Capacity: Dining – 54 guests; Cocktail Party – 100 guests

The Bistro is a casual alternative to the upstairs dining room, featuring easy access to the Terrace area and is bright and sunny during the day. As with the Nook, both the Bistro and Terrace are wheelchair accessible. We do not exclusively reserve space on the Terrace as guests can find tables on a first in, first served basis.
